RESIDENT'S OFFICE.

Office Note.

FILE No. 296 of 1892

In a letter N. 168.C. of 11. August 1892,
the Inspector of Schools, Et. au Statu, refer
on the Primary Examination held in
June & July 1892.

191 candidates registered their
names. 178 were examined with the
results as follows: -

65	passed for full certificate.
29	in the compulsory & 1 optional subject
21	— compulsory & 2 optional subjects
26	optional subjects only

The fees collected amounted, after refund,
to Rs 201.

2. Following the rules in force in the
Madras S.S., the Inspector recommended
the payment as follows; having in view
that the expenditure of the examination
showed not exceed the receipts as
anticipated by the Inspector in his

2

Proposals for instituting the
examinations vide para 9 of M.N. 1 in
file N. 303 of 1891.

Chairman - Mr. Marsden -	170-0-0
Member - Mr. Srikanitaya.	27-8-0
Contingencies	3-8-0
	<u>201-0-0</u>

3. Two bills are sent for sanction. If approved,
other bills may be countersigned as
below:

"Sanctioned for payment at the
Residents' Treasury."

It is presumed that the fees collected
are deposited in the Treasury & that no
difficulty will be experienced in the
payment being made.

4 - Mr. Marsden, in his last para,
raises the question of publishing the
results of this examination. It is no
doubt desirable that they should be
published in the official gazette, but
such a gazette for the Lt. M. Station of
Bombay is "Part II of the gazette of

India, and perhaps it is it
 wrote while having these results
 published in that gazette. The public
 will not get hold of the gazette of
 India, & for a similar reason
 there appears to be no use in
 having the results published
 in the local gazette. The Dewan
 may not object to have these
 results published in the Mysore
 gazette, ~~in addition~~ or if this
 cannot be done, the lists may
 be printed at the Residency
 Press & copies supplied to the
 Inspector and the several
 schools in the R & M Station
 of Bangalore.

50 Mr. Massden may also
 be informed that his report

is satisfactory.

Submitted for favour of order.

6. I am doubtful if these Bills can be paid. As a matter of fact they are to be met from the Insurance fees but these fees have been - it is presumed - credited to Government. If so, they are not available.

It has been ascertained from the L^y that the fees have been credited to Govt.
Hf

7. There is no provision in the Budget of the Assigned Leach to meet this charge. The same difficulty that arose in connection with the Bonded warehouse etc. (a case lately disposed of) arises here. I suggest that the Anti-Sal Leach be

(at Kavi file)

asked to advise in the matter. If the Exam fees were held in deposit and not credited to Govt. there would be no difficulty whatever in having the bills cashed.

8. As regards the Gazette in which the names of passed Candidates are to appear, I think they ought to find a place in the Reg. of India which is our "District Gazette". I asked H.D. Co., the Darbar Board of course publish the names in the Mysore Gazette. They might be published in the former as Mr. Manden suggests & spare copies of the Supplement were asked for.

to the Accountant General's
bank. I should like to see some sanction
payment with reference to the
amount by A. G. Madan & draft

made by P. J. & ask his advice.

Letter issued - 22.10.6.

In letter No. P.A.C. 8 of the 3rd October 1892, the Accountant General, Madras, states that there is no provision in the budget ^{of the} assigned Trust to meet the charges connected with the Primary & Lower Secondary Examinations recently held in Bangalore, & suggests that the Govt. of India may be moved to sanction a supplemental grant for

the purpose. The amount required is \$898 or 900/- which can be appropriated from savings in the allotment for building grants, as suggested in S.R. 5 by the Inspector of Schools.

" A supplemental grant is wanted under Ex. 10 to meet the expenditure connected with the bonded warehouse, & for payment of compensation to the late Accrue Contractors on account of wastage. ~~This is pending~~ An application therefore is deferred pending reply from the Collector to a reference made by this Office in connection with the payment from the revenues of the Assigned Truck of an equivalent amount paid by the Bishop Cotton School towards

8

the liquidation of the loan granted
by the Municipalities to that school.

It appears probable that a supplemental
grant has been obtained for this
purpose also.

12. As under rules, one ~~applied~~
application should be made for supple-
mental grants under different heads,
this case must also wait. When
the Collector's reply has been received,
one general application will be
made for the different grants required.

13. The budget for 1893-94 is being
prepared by the several officers concerned,
& it is presumed that the Inspector of
Schools will budget for the receipts &
expenditure of the ~~fees of the~~ examinations
under reference. As, however, no new
item should be included in the
budget which has not been sanctioned
by competent authority, it is necessary

*I told him
to do so in a
recent conversation
on the subject
14/10*

to obtain the sanction of the
Govt of India to this matter
being included in the budget.
The necessary sanction may
be asked for in our letter about
the supplemental grant, & the
fact that ^{such} sanction has been
applied for may be noted in
the column of remarks opposite
to the figures regarding the examina-
tion fees in the budget for 1893-94,
which is due to the Accountant
General by the end of this month.

44 In order that the Inspector
may not overlook this, he may
be told to make the necessary
provision in the budget for 1893-94
& informed ^{at the same time} the question
of payment of remuneration to
the examiners stands a draft d.O.
submitted for approval.

Sl. N. 8.

16

In the Educational Budget estimates
for 1893-94 forwarded with letter No. 132
of 6 October 1892, the Inspector of Schools
provides for the examinations in question.

17

In para 6 of this letter, Mr. Munsden
says as below: -

Similarly the fees which
will be paid during the last quarter of
the current year are entered under the
head of receipts in the revised budget.
The expenditure from these receipts
will be made out early in 1893-94

and

and are entered as charges for that year under the head of Examination

18. ~~Now~~ now the proper head under which this item should be included in the budget estimate is as regards receipts "XXI. Scientific & other minor Dep^{ts} Examination fees" and as regards expenditure "XXVI. Scientific & other minor Dep^{ts} Examination". As under the account code no new charge should be included in the budget if it has not already been sanctioned, the Foreign Dep^{ty} may, if approved, be asked for sanction to this item being budgetted for.

19. The budget estimates for 1893-94 are now under compilation & have to be submitted to the Acc^y General by 31st instant. The estimates for the examinations may be entered therein, an explanation being given in the column of remarks that ^{the necessary} sanction has been applied for from the Gov^t of India.

The

12

respect of the payment to the Director of an equivalent of the amount paid by the Bishop Cotton School authorities in part liquidation of the loan granted by the Mysore Govt. to that institution. The application in this case of the Examinations cannot be sent up ~~in~~ separately, as under the rules, applications for supplemental grants should be sent up together.

TO

The Assistant to the Resident in Mysore
Bangalore.

SIR,

I have the honor to submit
a brief report on the Primary Examin-
-ation lately held in Bangalore in accord-
-ance with Resident's order n^o. 3975-303-91
dated Bangalore the 23rd December 1891.

S. N. 17. Rec³⁰³
1891

2 - The examination was held at
Bangalore at various centers during June
and July. The European girls, European
boys, estate girls; Tamil male candidates
Telugu and Canarese male candidates and
Hindustani male candidates were all
examined at different centers, at dif-
-ferent times - This was necessary

as the examination was entirely *Viva Voce* - I superintended the examination at each center - It was conducted by myself and the Sub Dy Inspector, Mr. Seikantanya, I found one examining Member sufficient as the number of Candidates was not large - As the number of Candidates increases, year by year, which it is likely to do, an additional examiner will probably be found necessary -

3. - 191 Candidates registered their names for this examination, 130 being boys and 61 girls -

4. - Of the total number registered

- 185 were pupil Candidates
- 5 — " — teacher Candidates
- 1 — " — private Candidate

5. - As to nationality, there were

- 83 Europeans & Eurasians
- 81 Hindus
- 17 Muhammadians
- 10 Native Christians

6. - The results of the examination

were fair,

out of 178 Candidates examined

191
178
13 not
examined.

— 65 passed for full Certificate

— 29 — " — in the compulsory & optional Subjects

— 21 — " — in the compulsory Subjects only

— 26 — " — in optional Subjects only

7— Certificates have been duly issued to all passed Candidates.

8— The fees amounted to Rs 203 58— which amount Rs 2 were refunded having been paid in error. The receipts therefore amount to Rs $203 - 2 = 201$.

9— As regards the stipends of the Chairman and Members of the examining board, I have the honor to propose that the same rules be followed, as far as possible, as have been sanctioned by the Madras Government for the Primary Examinations held in that Presidency. According to these rules, the Chairman of the Board for each district, if a non-official, gets Rs 500 for the year, and if an official, he gets Rs 250— Each examiner-in-charge member gets Rs 2-8-0 per diem

The rules have not been sent.

if an official member - the chairman
however gets no additional fee, as he
does in the Lower Secondary exami-
nation, for examining - the income of
the Bangalore Board from fees is not
this year sufficient to pay these rates -
I beg therefore to propose the following
rates for the current year -

Chairman, Mr E. Marsden, for the year Rs 170

Member, D. Seikantanga @ 2/8 for 11 days 27-8

Total Rs 197-8 + 607-0 =

10 - The contingencies amount to Rs 3-8-0
so that the total expenditure will be
Rs 197-8-0 + 3-8-0 = Rs 201 which balances
the income from fees -

894-
3-8-

897

11 - I beg to forward a consolidated
bill for these amounts for favor of
your approval, sanction & countersignature
for payment at the Treasury - I will on
receipt arrange to cash the bill and
pay the parties named in it -

12. - I also forward a list of proposed
Candidates in the Madras Primary

this list is published in the District
Gazette. It is necessary to have an official
and permanent record of passes in this
examination, as it qualifies for Govern-
-ment employ. There is however no
district Gazette for Bangalore - the Gazette
of the Government of India does not seem
to me to be suitable, as it is published
at a great distance, and yet I do not know
what other Gazette to suggest, unless it
be the Army Gazette which would be
handy for reference - If published in
the Government of India Gazette, I think
12 extra copies of a Supplemental con-
-taining the list should be sent to you
of which six might be filed in your
office and 6 in mine for future refer-
-ence -

Office of the Chairman Primary

From

The Chairman
Primary Examination Board
Bangalore

To

The First Assistant to the
Resident in Mysore.

Sir

I have the honor to submit
a brief report on the Primary Examination
recently held in Bangalore in accordance with
Sd/- 17 Feb 1903. Residents order No. 3975
91 303-91 dated Bangalore
the 23rd December 1891.

The examination (including the
valuation of papers) extended over 27 days
and was held at Bangalore at various
centres during June and July. I arranged
to have different centres for European
girls, European boys, Native girls, Tamil
male candidates, Telugu and Kannese
male candidates and Hindustani candidates.

his was necessary as the examination was
mainly viva voce the questions being
dictated and the answers written down
on paper and valued afterwards. I
superintended the examination at each
centre. It was conducted by myself and
the Sub-Deputy Inspector Mr. Srinivasa
Piyangar.

304 Candidates registered
in names for this examination
7 being males and 97 females. Of the
total number registered

300 were pupils

2 Teachers

2 private candidates.

As to nationality, there were

138 Europeans and Eurasians, 109 Hindus,

17 Muhamadans, 29 Native Christians

and 1 Parsee.

138
109
27

304

The results of the examination
were good and better than those obtained
the year previous. Out of 264 Candidates
examined.

183 passed for full Certificate

Includes 21 candidates who did not

fully pass last year and this year
Completed the test.]

31 passed in the Compulsory
and one optional

9 in Compulsory subject
only:

28 in optional subjects
only:

Certificates have been duly
issued to all the passed candidates.

The fees amounted to Rs 332
of which Rs 2-8-5 are to be refunded
having been paid in excess. The receipt
therefore, amount to Rs 329-8-0 against
Rs 201 last year.

The contingencies amount
to Rs 12-0-0 for which sum a bill is
now forwarded for favour of
counter-signature and return.

Calculating the stipends
for examiners on the same principle
as was last year approved, i.e. in the
same way as they are calculated
in Madras, there are as follows:-

File 269 C-1
92
referred
11

Chairman - Mr. E. Mariden	} Rs. as p.	
Stipend for the year		250 - 0 - 0
Member - Mr. Srinivasa Gijangar B.A.	} Rs. as p.	
27 days at Rs 2-8-0 per diem		67 - 8 - 0
Total		<u>317 - 8 - 0</u>

The total expenditure thus amounts to

Stipends	Rs. as p.		
	317	8	0
Contingencies	12	0	0
Total	<u>329</u>	<u>8</u>	<u>0</u>

The receipts thus balance the expenditure. Last year the income was not sufficient to give the Chairman the full fee of Rs 250. He was therefore given what remained after paying all other claims.

The allotment for this examination provided in the Budget for the current year is Rs 350. I have the honor to request your formal sanction for the payment of the stipends noted above.

A list of passed candidates will follow.

Sr,

The First Assistant to the
Resident in Mysore

Sir,

I have the honor to submit a brief
report on the Primary Examination recently
held in Bangalore in accordance with

517 Residents' order No 3975 dated Bangalore.
File 1303/91 303.91
the 23^d December 1891.

The examination (including the
valuation of papers) extended over 30 days and
was held at Bangalore at various centres
during June, July and August. I arranged
to have different centres for European girls,
European Boys, Native girls, Tamil male
Candidates, Telugu and Kannarese male
Candidates and Hindustani Candidates

This was necessary as the examination was mainly viva voce, the questions being dictated and the answers written down on paper and valued afterwards. I superintended the examination at each centre. It was conducted by myself, the Sub. Deputy Inspector Mr Srinivasa Aiyangar and Mr Khaja Khan Sub. Assistant Inspector of Muhammadan Schools, Madras.

336 Candidates registered their names for this examination to 304 of the year previous. Of this number 221 were males and 115 females. Of the total number registered :- 331 were pupils and 5 private Candidates. All the Upper Primary Schools in the Civil and Military Station both the aided and unaided were represented.

As to nationality, there were 151 Europeans and Eurasians, 42 native Christians, 120 Hindus, 20 Muhammadans, 2 Parsees and one Burmese.

The results of the examination were good and similar to those obtained last year. Out of 302 Candidates actually examined :-

199 passed for Complete Certificate

[This includes 13 Candidates who did not fully pass last year and Completed the test this year.]

44 passed in the Compulsory and one optional subject.

9 passed in the Compulsory subjects only.

21 in optional subjects only.

The fees amounted to Rs 378-8-0 of which one rupee is to be refunded having been paid in excess. The receipts therefore, amount to Rs 377-8-0 against Rs 329-8-0 last year.

The Contingencies amount to Rs 22-8-0 for which sum a bill is now forwarded for favour of Countersignature and return.

In calculating the stipends for examiners on the same principle as was approved last year and dividing the stipends for the Chairmen in accordance with your letter No $\frac{2134}{303.91}$ dated 19th June 94 these are as follows: -

51

Chairmen:

Mr Marsden. September 93 3 months Rs. as per.
July and August-1894 at $\frac{1}{6} \times \frac{3}{4}$ of Rs 250 = 93. 12. 0
October, November 4 months
December 93 and January 1894 at $\frac{1}{6} \times \frac{1}{4}$ of Rs 250 = 41. 10. 8
Total Rs = 135. 6. 8

Mr Flanagan. February 2 months
and March/94 at $\frac{1}{6}$ of $\frac{1}{4}$ of Rs 250 = 20. 13. 4
April, May 3 months
and June. 1894 at $\frac{1}{6} \times \frac{3}{4}$ of Rs 250 = 93. 12. 0
Total Rs = 114. 9. 4

Members

Mr. Srinivasa Aingar for 30 days
at Rs 2-8-0 per diem } = 75-0-0
Mr Khaja Khan Sahel B.A
for 4 days at Rs 2-8-0 per diem } = 10-0-0

— The total expenditure
amounts to

Stipends to Chairmen }
and Members } 335-0-0
Contingencies 22-8-0
Pay of Temporary clerk . . . 20-0-0
Total... 377-8-0

The receipts thus balance
the expenditure.

The allotments for this

examination provided in the Budget for the current year is Rs 450. I have the honor to request your formal sanction for the payment of the stipends noted above.

Certificates for the European passed Candidates have been duly issued and those for native Candidates will be issued shortly and a list of passed Candidates for publication in the Gazette will follow.

INSPECTOR OF SCHOOLS,
CENTRAL CIRCLE.

To

The First Assistant to the Resident
in Mysore.

Sir,

I have the honor to submit a brief report on the Primary Examination recently held in Bangalore in accordance with Resident's Order No. 3975 dated 23rd December 1891.
S. 17 Tra 303/91

2. The examination previously held in the middle of the year in June and July was this year held in December 1894 in accordance with Resident's Proceedings No. 2587 dated 31st July 1894. It was therefore the 2nd examination during the official year 94-95. This was unavoidable on account of the change of date. No inconvenience has however been experienced in consequence. The month of December has after long experience been found to be the most convenient for this examination.
S. 34

3. The examination was held at Bangalore at various Centres. I Superintended the examination at each Centre. It was conducted by myself, the Sub Deputy Inspector Mr. H. Sreenivasa Iyengar and Mr. Abdul Khalek, Inspecting Schoolmaster, Madras. The mode of examination was the same as that described in the reports of previous years.

4. 368 candidates registered their names for this examination.

to 336 on the previous occasion. Of this number 254 were males and 114 females. Of the total number registered, 360 were pupils and 8 private candidates. All the Upper-Primary Schools in the Civil and Military Station both aided and unaided were represented.

5. As to Nationality there were 169 Europeans and Eurasians 41 Native Christians, 133 Hindus and 25 Muhammedans.

6. The results of the Examination were better than those obtained last year. Out of 361 Candidates actually examined 257 or 71.19 per cent passed for Complete Certificate as compared with 199 or 65.89 per cent candidates in the previous examination. (This includes 36 Candidates who did not fully pass last year and completed the test this year).

28 passed in the Compulsory and one optional Subject, 12 in the Compulsory Subjects only and 31 in Optional Subjects only.

7. The fees amounted to Rs 403-0-0 against Rs 377-8-0 last year.

8. The Contingencies amount to Rs 25-10-0 for which Sum a bill is now forwarded for favor of countersignature and return.

9. With regards to the stipends to the Chairman and Members of the Examination Board I have the honor to state that the same rules have been followed as were sanctioned last year. The total expenditure is Rs 398-8-8 which balances the income from receipts as follows:—
